# 2019 Performing Arts Ensemble Music Program

## Music Program Overview

The Performing Arts Ensemble (PAE) program covers many types of vocal, instrumental music and dance styles and is tailored to meet the differing abilities and experience of students. Registration for all ensembles is required on Enrolment Day.

### Ensemble enrolment – Year 7 students and other new enrolments

- Complete an enrolment form provided in the Year 7 enrolment pack.
- Attend an ensemble rehearsal. The PAE Coordinator can advise which ensemble will be most suitable.
- Rehearsals will commence in Term 1, Week 2.
- Once students are in regular attendance and on the ensemble roll, they will be invoiced (approximately mid Term 1).

### Benefits of ensemble participation

- Being a member of an ensemble fosters friendship, discipline, teamwork, personal organisation, hand/eye/ear coordination of music repertoire, sight reading and working towards personal and team goals.
- Advanced players in ensembles can be extended by being featured in performance works and becoming section leaders.

### Guidelines of Ensemble participation

- Receive private tuition
- Be prompt for the rehearsal, set up and pack up the room
- Attend rehearsal with your MUSIC and a PENCIL
- Black PAE Shirt is **compulsory** and is available for purchase from the uniform shop. **Students will also need a pair of plain, black dress trousers and black shoes.**

### Leaving an ensemble

This can only be permitted with a written request from a parent. If the student leaves the music program during the year, no refund of fees will be paid.

### Parent Support and Participation

The Performing Arts Ensembles are a most successful part of the curriculum enrichment program of Killara High School. Occasionally parents will be required to help with transportation of instruments to camp or other performances.

### 2019 Music Program Fees

Ensemble fees are necessary to cover the costs of employing directors and choreographers, maintenance of equipment, competition entry fees, transport and the purchase of music and instruments.

<b>Program Coordination and Administration Fee</b> is charged to cover the cost of employing a specialist music teacher to coordinate the program. This fee is only charged once to each student, regardless of the number of ensembles joined.	\$150.00 (per student)

Stage Band, Wind Ensemble, Percussion Ensemble, Guitar Ensemble, Vocal Ensemble, Vocal Extension, Junior, Senior Dance Ensemble	\$220.00 (rehearsal: 1 hr p/w)
Ensemble fees are only payable on two groups per student. No charge for additional groups.	

- **Fees** are to be paid within 14 days of receiving statement. A 10% discount will be given if ensemble fees are paid by the end of Term 1.
- **Payments** are completed online via our website.
- Ensemble fees are not refundable except in exceptional circumstances.

- All instruments can be stored in C Block or in the student's locker.
- Students and parents are required to keep a record of the serial number of their instrument regardless of whether it is hired or owned.
- Loss of an instrument must be immediately reported to the PAE program coordinator and the police.
- Keep your instrument clean and do not let other students 'play' your instrument.
- All Percussionists must own stick/mallets.

### Festivals, School and Public Performances

Traditionally the instrumental ensembles enter the Sydney Eisteddfod, State Band Championships, North Shore Schools Spectacular and perform at Primary Schools in our local area each year. There is a fine standard of music and Killara High School regularly attains awards. Two performance evenings are held over the course of the year and each ensemble will each be given the opportunity to perform. It is compulsory for students to attend these performances.
