Killara Brings Home the Trophy!

The annual clash of the North Shore school bands, hosted by the Chatswood RSL, was held at Chatswood High School last Saturday night, 12th May.

Turramurra, Killarney Heights, Ku-ring-gai, St Ives, Chatswood and Killara High Schools battled it out with three of their best performers.

Killara's Concert Band 1, Stage Band 1 and Yujin Son (Year 12) performed and were awarded equal first with Chatswood, breaking Chatswood High School's winning streak for the first time in four years.

Congratulations to all students and conductors, Darren Jones and Bob Coassin for a very satisfying victory.

Jacqueline Berry, PAE Coordinator

Year 9 Camp

As clichéd as it sounds, Year 9 camp has been one of the most rewarding experiences during my time at school and I know the great majority of Year 9 agrees!

Some students were dreading this day, especially when the teachers explained what was planned for us. We had heard the less than enjoyable description of some of our activities like MUD WORLD, abseiling and raft building. After weeks of chatter and planning, the day had finally arrived and one early Monday morning, the 234 of us ventured out to Morisset!

We arrived and were greeted by our camp instructors who were lots of fun. From then on, we were separated into cabins. We all certainly enjoyed our stay there and after the initial challenge of new surroundings and the cold we overcame and were fairly happy with our circumstances.

We reconvened after the initial briefing and were sent to our first activity which for some was mud world or abseiling (etc) and for me was raft building. Raft building was basically a joke for my group as our raft fell apart (Charlie and I were the ones who discovered this when we capsized and swam for our lives in the creek) whilst the competing teams laughed at us.

We all joined each other again and had dinner. Afterwards when everyone was excused, the boys walked calmly to their cabins to get ready for the disco, whilst the girls were manically running in and out of their cabins looking for clothes, makeup, shoes and straighteners!

The strobe lights and music 'went off' as many said and everyone was sweating and dancing. Hovering over the dance floor I saw quite a wide spectrum of dance talent from Zi Hang's Michael Jackson skills to Lily and Clayton's 'krumping' skills then to the gabbering skills of the notorious 'KB' of Year 9 including Nik Pavkovic, Kieran Pain, Kieren Young, Jono Bank, Greg Hamman and James Andreaou who also dressed in their most dazzling attire. As a whole I think everyone enjoyed their night and surprisingly there were no dance-related injuries.

The next day my group went sailing and kayaking, after lots of water in eyes and paddles/sail knocks to the head, we all eventually got the swing of it. I'm sure all the other groups had plenty of fun....

Our final night was extremely entertaining as we played COMMANDO, a game in which the objective was to sneak through a forest and rescue hostages without getting caught by teachers, who were hiding in the bushes armed with torches. Applying our skills in

stealth and stability we all ventured through the forest in small teams, some unfortunately getting caught, others crawling on the floor with intent... At some point I think everyone got lost. Once we re-gathered and walked back to camp, the instructors treated us with a fire show which was quite astonishing (fire was breathed, bats on fire were thrown).

The next day our time was cut short half a day. It was really sad to leave our instructors behind as we had all felt we had really gotten along with them (not to mention the secret obsession that the girls had with Vinnie). It was upsetting but we said our goodbyes and thank-yous and made our way back home to Sydney.

Camp turned out to be so much fun! Thanks to all the teachers who took us, it was definitely a camp to remember!

National Year of Reading 2012

The National Year of Reading is an ambitious campaign to help turn Australia into a national of readers by supporting a universal appreciation of the benefits of reading and promoting the idea of a reading culture in every home, school and community.

There is a competition for older students between 12-18 years of age, called "Read this!". It asks young people to nominate the book they think their peers should read during 2012. Their nomination can be in the form of a book trailer, picture, video, song - any creative response will be considered for one of the top prizes. The competition is being run by the Centre for Youth Literature (www.insideadog.com.au) and Spine Out (www.spineout.com.au).

Higher School Certificate and Stage 5 Course Information Meetings for Parents of Years 8 and 10 Students

The time for Year 8 and Year 10 course selections for 2013 is upon us.

Information sessions for parents of students in Year 8 and 10 will be held on:

**Tuesday 5th June 2012 in the Kerrabee Theatre
Year 8 at 6pm and Year 10 at 6.45pm**

In order to provide students and parents with comprehensive information to assist in making decisions about programs of study for Year 9 and Year 11 2013, special booklets are being prepared and will be distributed to students in Week 6, prior to the information evening.

These booklets contain a wealth of general information about Higher School Certificate and Stage 5 course requirements as well as a range of programs of study and details about all subjects on offer to students. Killara High School is able to offer students a very broad range of courses for both the Higher School Certificate and Stage 5.

The meetings on Tuesday 5th June will provide parents and students with further details about NSW Board of Studies requirements for the awards of the

Record of School Achievement and Higher School Certificate in 2014. All faculties will have representatives available at the evening meeting to provide additional information about courses and answers to questions you might have.

Students are asked to choose their courses carefully in consultation with parents and teachers. Year 8 students choose three electives to study in Year 9 and Year 10 students choose 10 units (most subjects are equal to 2 units) in addition to the compulsory 2 units of English. Students are always advised to make their choices based on their interests and talents.

For Year 10, all students will be interviewed by their Year Advisers and the Careers Adviser prior to finalising their course selections for their senior program of study. Killara High School provides a rigorous consultation process to ensure all students make choices that will best suit their individual needs.

Both Year 8 and Year 10 students will be required to return their selection forms before the end of Term 2.

Deputy Principals**

2012 Killara High School Athletics Carnival

It's come that time again where we get to witness our students excel in track and field events.

The Killara High School Annual Athletics Carnival will be held on **Tuesday 22nd May 2012**. The details are as follows:

Venue: Sydney Academy of Sports, Wakehurst Parkway, Narrabeen.

Travel: To and from the venue by bus. Two buses will leave the school at 8.45am with the remainder leaving at 9.00am and returning to school in time for the normal school bus departures.

Students wishing to enter the first events - 12 years boys and girls and the 13 years girls Hurdles along with the 17 years 1500m should catch one of the 8.45am buses.

Dress: PE uniform or their house colours. Doongara – Blue, Mundara – Green, Caringa – Yellow, Kimba - Red (more colour the better)

All competitors will need a student ID number to compete in events. These will be posted up in the PDHPE notice board in C Block and also students can receive their student IDs on the day also.

A canteen will operate selling a variety of food and drinks, however, it is advisable to bring your own food and drink as facilities may be limited. There is limited shade; therefore a hat and sunscreen are essential items.

See you there!!

Open Boys Soccer through to Round 4!!

On Monday 7th May, Killara's Open Boys' Soccer team competed in the third round of the Combined High Schools (CHS) Open Boys Soccer Knockout competition against Homebush Boys' High School. Boys met at Mason Park very early for a 10am start. Both teams started the game very slowly, but a great finish by Ryan Peterson put Killara 1-0 up. Homebush equalised immediately and the lead changed several times up until half-time when both teams were locked at 3-3 with goals to **Anthony Kalik (Year 9) and Alex Mura (Year 11)**.

The second half started very slowly like the first with both teams playing as if in a game of chess. Neither team took any risks until **Ryan Peterson (Year 10)** seized an opportunity that was provided with an excellent strike to give Killara the lead. The score didn't change and Killara won the game 4-3 and the team is now scheduled to face Freshwater High School on Koola Park.

Toastmasters

While most of the school enjoyed a day off on the school development day at the beginning of this term, the Prefects were already back at school and commencing an intense two day public speaking course. The Program we participated in was run by 'Toastmasters', an internationally recognised non-profit organisation that specialises in leadership and speaking training.

Over two days our tutors had us presenting numerous impromptu speeches, and one prepared speech which we had to write overnight. While at first we were all shocked at having to stand up and speak for a minute on a topic as obscure as "The day I got lost in a supermarket", we got the hang of it very quickly.

With our tutor advising us not to let truth get in the way of a good speech, we were soon listening to a recount of the time someone single handedly fought off hundreds of alligators, or about the time someone

else got stuck in their supermarket's freezer overnight. But don't worry too much! Apparently, spending a night with as much ice-cream as one can eat isn't *entirely* bad!

One of the things we found most interesting was that in receiving a message from someone speaking only 7% of the information we receive comes from the actual words being said. Another 23% comes from voice. It's body language, however, that we rely on most to communicate, with hand gestures and physicality delivering 70% of the message. This did however give us a bit of reassurance when it came to writing our prepared speeches. Having one night for a five minute speech was a bit daunting, but with only 7% of our message coming from what we were going to say anyway, it took a bit of pressure off!

As it turned out we really didn't need to be worried, as we all managed to come up with some pretty interesting speeches! Especially memorable ones for

me included Alice Webb's discussion of Pokémon, and how the concept of "Ketchum all" applies to real life, and Jeremy McNamara's recount of his overseas adventures.

Over the two days we all learnt a lot about public speaking and how to address an audience, but I think the best aspect of the two days was learning more about each other. There's nothing quite like giving someone five minutes to talk about absolutely

anything, to find out some interesting stories, fun facts and absolutely hilarious anecdotes you've never heard before!

All in all it was a very worthwhile experience and we encourage all leadership groups to take up the opportunity to complete future Toastmasters' courses.

Ninah Kopel, Prefect, Year 12

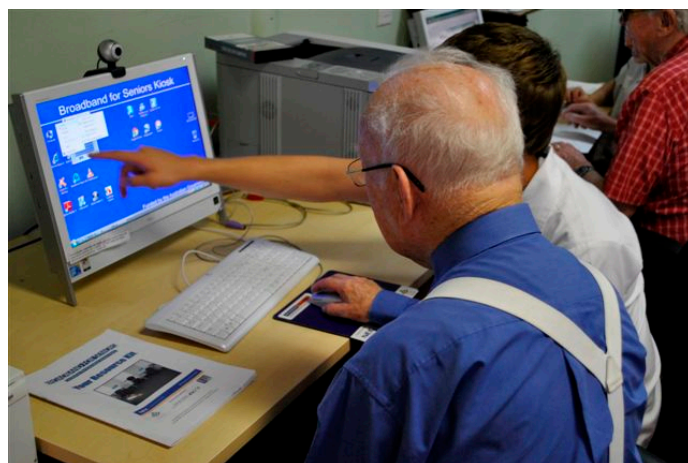

Year 10 "IT Challenge"

At the end of Term 1, a group of Year 10 ICT students volunteered their time to teach residents at the Waitara Wellness Aged Care Centre how to use modern technology including: Xbox, Wii and the Internet.

Together with Ms Massey, **Lukas White, Cecie Corney, Blair Sully, Tal Erkes, Victor So, Claude Chen, Ming Han and Mike Tang** spent the morning working one-on-one and in small groups teaching the elderly a range of new skills in computer skills and computer games. The students were fantastic and showed maturity and patience in teaching aspects of technology that their generation might take for granted.

The residents thoroughly enjoyed both the company of young people to share their stories with and the opportunity to learn new skills.

The Waitara Wellness Centre was extremely grateful to the students for volunteering their time and knowledge with the elderly residents, as often some residents do not get the chance to interact with visitors on a regular basis. I know the students got a lot out of the experience too!!

Netball Report

On 1st May, ten Killara students travelled to Gosford for a Combined High Schools (CHS) netball tournament. It was a beautiful sunny day; a great day for some netball.

Our first game was against Riverside Girls' High. We started off well, though an early injury dampened the girls' moral for the first quarter. With Annika's ankle iced though, they put their minds back on the game and started to improve. With Jackie in the wing making some excellent space on court and Teniah in

the goal circle forcing some excellent holds our team started to fight back.

The second half saw the Killara team rise even more to the challenge and start to show Riverside what we were made of. Nicole ran the court well in centre, while our defense team of Bronte, Anja and Sabina proved very strong. Sadly our resurgence was a little too late and we ended the game at a loss of 40 – 24.

Our second game was against Turrumurra High School. This was an extremely hard game and our girls tried very hard. Charlotte made some excellent space in the goal circle and Chana passed the ball around well in the centre court. Our team tried their best but sadly ended up losing this game also.

The players of the day were **Nicole Braun (Year 10) and Bronte Carfino (Year 11)**. Bronte was consistently strong and never gave up in defence. Nicole played almost everywhere on the court and was very strong in every position. Thanks to Shannon for her excellent umpiring in both games.

Grounds Working Bee

Waking up on a beautiful Sunday morning and thinking, "It's gardening day at the school ... Do I really want to go? There are a million other things I could be doing with my precious time". But is there???

Make the effort, get out of bed and come along on

**Sunday 3rd June 2012
commencing at 8.15am**

In a short time, your work can transform a garden bed and make a real difference to the "look and feel" of our school. You don't need any experience, just a bit of enthusiasm and an hour or two of your time. All tools and training provided on the day.

It is a fun and easy way to contribute to your school community and morning tea is provided.

Four times a year, once each term, the Grounds Working Bee is held to keep Killara High's gardens looking good. Richard Frith, our valiant parent leader, coordinates the morning. So put the **date in your diary NOW** and come along and meet Richard. Don't feel shy and we're sure that you will leave with a smile on your face ☺ !!!

PS - Remember, it is your child's school, so they are more than welcome too.

From the Principal's Mailbag

On 19th January, Travis Williams (English Faculty) of Killara High School led a six hour workshop for members of Taronga Zoo's Youth at the Zoo (YATZ) program. This was prepared and delivered in his own time and was completely voluntary, and we believed he should be recognised.

He delivered a workshop regarding Public Presentations and the use of Drama techniques to improve the information our YATZ can deliver to the Zoo visitors and stakeholders, in forums such as Keeper Talks and Interpretation.

We found his conduct, preparation and skills very professional. His manner with the YATZ was friendly and welcoming, allowing them to feel safe and explore their own skills in public presentation as

well as extend themselves beyond their comfort zones and current skill set.

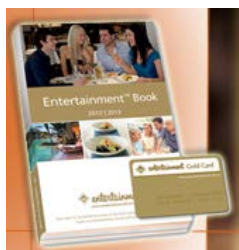

We would like to thank Mr Williams for his efforts and commitment to conservation and education.

Paul Maguire, Manager Learning and Experience, Taronga Conservation Society Australia and the NSW Department of Education and Communities

The Executive and Members of Roseville RSL Sub Branch thank you and the school for the marvelous support provided for our ANZAC Commemorations again this year. The trumpeters, Alex Harper and Alex Batt, were on "top note" and individually added much to the occasion.

Student Safety

We are all concerned for the safety of our children. Whilst at school, their safety can more easily be managed, but travelling to and from school, students need to take care and also to accept some responsibility for their own safety.

Police advice is that students should, wherever possible, travel with others. They should follow routines and notify their parents/carers if there is any change to these routines such as going to the library, visiting friends or leaving school late.

Most students have mobile phones and if students are in a situation where they feel uneasy they should contact parents/carers or trusted friends for assistance.

If anything does happen to cause alarm for students whilst travelling between home and school, the police should be notified as soon as possible. Notifying the school also allows us to keep students and parents informed of any concerns.

Judith Paszek, Deputy Principal

From the Library

"Libraries have existed for millennia. Their purpose has always been focused on knowledge acquisition and sharing for the development of society. In the 21st century, school libraries are re-engineering themselves to focus on learning, curriculum and the skills needed for 21st century learning".... Recommended by the Teacher-Librarian:

Duncan, Susan. ***The House at Salvation Creek***.

Continuing the story of Susan Duncan's bestselling and much-loved memoir, *Salvation Creek*, *The House* picks up after Bob and Susan marry. Two years later, she moves from her Tin Shed into his 'pale yellow house on the high, rough hill'; *Tarrangaua*, built for the iconic Australian Dorothea Mackellar. Set against the backdrop of the small, close-knit Pittwater community with its colourful and

quirky history, this novel is about what happens when you open the door to life, adventure and love. But it's also about mothers and daughters, as Susan confronts her mother's new frailty and her own role in what has always been a difficult relationship.

McCallum, Fiona. ***Nowhere Else***.

On the surface, current affairs reporter Nicola Harvey has the world at her feet – she's at the top of her profession, part of Australian's celebrity A-list, has a wealthy, successful fiancé and a beautiful warehouse conversion in Adelaide. But appearances can be deceiving and not all is perfect in Nicola's world. So when her boss offers to send her on an extended research trip to investigate the effects of the drought, she jumps at the chance to indulge in some country-style relaxation. When she arrives in the little town of Nowhere Else, nothing is as she expected: there's no spa in town, the locals are tight-lipped, and she senses it's not just the drought that is making the town nervous. So why has her boss sent her out there?

Monster Garage Sale

27th May 2012, 8am - 1pm

1st Lindfield Scout Hall (17 Slade Ave)

So come down and find a treasure trove of bargains.

Also, we are asking local families to donate items to sell. Collect all the things you no longer need (it's a great excuse to clear out your cupboards) and drop them off at the Scout Hall, 17 Slade Avenue, Lindfield. Best drop off times: Friday evenings 7-9pm, Saturday afternoons 3-5pm. Last day for donations: 26th May 2012

We need the following to sell: Books, CDs, video games, DVDs, toys, board games, games, puzzles, kitchenware, garden tools, collectibles, bric-a-brac etc.

✗ No large furniture, rusty bicycles, non-working electrical equipment or old whitegoods, computer equipment or TVs.
