competition discussed deforestation, climate change, the Arab-Israel conflict and Security Council reform.

Killara High School was fortunate in being able to enter three teams. This is because of the wonderful support of the Lindfield and Ku-ring-gai Rotary Clubs, which both sponsored our teams. The team of Norway was represented by **Emma Johnstone, Lucy Gamaroff and April Young**. The team of Kenya was represented by

Ziheng Zhan, Matthew Sinclair and Vivian Lee. While the team of China was represented by **Sarah Chen, Jerri Kim and Ellie Anderson-Gingold**.

displayed great courage and diplomatic zeal in tackling these complex international issues.

Duncan Coutts, HSIE Blue Faculty

On Saturday 23rd and Sunday 24th March, nine Killara High students competed in the Model United Nations. The Model UN or MUNA is held every year. It acts as a student forum to debate, discuss and build consensus around important international issues. Students from schools all over Northern Sydney participate and speak on six resolutions. This year the

All three teams competed with great spirit and spoke eloquently to their well-practised resolutions. The level of commitment shown by these nine students was fantastic. They were all well prepared and, at the competition, presented perfectly. Although Killara High was unsuccessful in getting through to the next stage of the MUNA competition held in Canberra, the students

DEAS Silver Practice Expedition

It was all happening again when, on Friday 15th March, sixty Year 10 students set off on their Duke of Edinburgh's Award Silver Practice expedition! We arrived at Somerset filled with energy - well as much as you can have at 8:30 in the morning! Before we could even think of walking or canoeing we had to waterproof our bags in the "unlikely" chance we would fall in. After unpacking, then repacking we had to plan our route using a series of grid references. After about forty-five minutes of guess work and instruction by our leaders, we finally had our route planned. With all the preparations in order we had a quick lunch and got ready to canoe. Our group and another group joined forces to canoe together.

After carrying the canoes down to the river "we jumped in and began to canoe." If only it was that simple. In my experience, for example, it was not easy. We spent the whole time zigzagging along the river, managing to canoe double the length covered by everyone else. After a while it was clear we weren't going to get anywhere and we were forced to swap partners. For the next nine and a half kilometres we canoed, peacefully down the Colo River. When we finally arrived at Cobbs campsite we quickly set up our tents and organized our belongings. After some chatting and some helpful feedback from our leaders we decided to set up a campfire and collect some sticks. Once the campfire was lit we told scary stories and talked some more. Once in the tents the mosquitos came out like a plague. They weren't just big, they were enormous!

At six o'clock the next morning we rose bright and early (5:45) for a packed day filled with canoeing and walking. After a day's experience we believed we had already mastered the art of canoeing. The river was amazing in the early morning, the early sunlight creeping through the trees. However the relatively easy part was now over, only endless walking was to come. At first we were all going really well and on track (well, the best you could with 12 kg on your back!) We walked up a track then bush bashed the rest until lunch, then we walked along a fire trail to the campsite. However somewhere along the way we managed to add an extra three kilometres to an already long day of walking. When you are hiking in the bush, even though it may be pretty, it is NOT easy. To distract ourselves we played "guess who" and sang songs. Once we arrived at our destination, Wheelbarrow Campsite, we were welcomed with ants' nests that threatened to cause trouble. We saw normal ants, ants with wings, bull ants and even fire ants. Some in our group had already been bitten when walking earlier.

The second night was too hot to have a campfire so we considered just sleeping out under the stars. We were almost home, and everyone was tired, scratched and sore. The next day everyone was renewed with a source of fresh energy... CIVILISATION AHEAD!! Although we were a bit unsure as to where we were exactly, we unexpectedly reached Paige's Point earlier than anticipated! As soon as we started seeing farmhouses and utes we realized we were at the end and we all ran to wait for the bus to take us back to Somerset. It was a funny sight. Once there we had to clean the Trangias and await our parents' arrival to bring us back home!

Even though it was long and tiring, I am sure that everyone had a good time, especially since it is impossible to do homework in the middle of the bush!

The Principal and staff of Killara High School wish all our families a happy, relaxing and safe vacation.

Student Progress Review Evenings 2013

Each year Killara High School schedules three student progress review meetings when parents can speak with teachers about their child's learning progress before too much of the year has passed.

We have scheduled the first Student Progress Review meeting session for Years 7 and 11 at the end of Term 1 on:

Wednesday 10th April – Term 1 Week 11

We hope parents can take advantage of this opportunity to discuss with teachers their children's progress to date.

Interview Bookings

On 22nd March, parents of students in Years 7 and 11 will be receiving an email invitation allowing them access to the computerized booking system. This will enable parents to indicate their availability for a meeting and to indicate which of their child's teachers they would like to see. This access will close on 26th March.

Interviews between parents and the nominated teachers will then be scheduled between the hours of 3.30pm and 8.00pm taking into account parent and teacher availability.

The schedule of interviews will be open for parent access on 3rd April so that parents may print out their schedule. Some limited adjustments of appointments may be possible depending on the availability of teachers. This access will close again on 9th April.

Please note –

- The venue for all interviews will be the Kerrabee Centre hall. Signs around the walls of the hall will indicate course/ faculty locations and signs on tables will indicate locations of individual teachers.

- **Interviews are of five minutes duration. Parents and teachers are asked to restrict their discussion to that time in fairness to all families seeking interviews. If teachers and/or parents feel the need to discuss matters further, another mutually convenient time should be arranged.**

- Interviews must be prearranged. To drop in on the off chance of speaking to a teacher can prove very frustrating to those with appointments and such requests may not be able to be accommodated. Please give consideration to the needs of other parents and the staff during these evenings.

Please take advantage of these opportunities to meet with the school staff to discuss your child's progress. Year Advisers, a School Counsellor, Careers Adviser and the Learning and Support Teacher will also be present. A translation service can also be made available through the school.

The Student Progress Review Meetings scheduled for Term 2 are:

Year 12 - Wednesday 22nd May (Week 4)

Years 8, 9 & 10 - Tuesday 18th June (Week 8).

Extending Lion Library Study Centre Services

Killara High School has implemented a Study Centre for our senior students, which involves volunteer university students tutoring our students across a range of their HSC subjects. This program operates during the private study sessions of our students and after school on Tuesdays and Fridays for one hour in the Lion Library.

This year, we would like to extend our program to include other students across years 7-11. It would mean they also could have access to the Lion Library after school on these same days for their educational needs.

Before such a service is developed and established the school would like to determine the likely demand and then determine whether voluntary support from university students is available. To this end, Ms Campbell, Teacher-Librarian, would welcome your feedback and response to the following questions:

- Would you like your child/children to have access to assistance with work after school for an hour in the Lion Library?
- What areas of assistance could be provided for your child?
- Would you like your child/children to be able to access the Lion library's resources at this time for:
 - a) research or
 - b) recreational reading?
- What other suggestions do you have regarding your child's information needs?

To access this survey, please click on the following link: <https://www.surveymonkey.com/s/286ZRM6>. Closing date for completion of survey is **Friday 12th April 2013**.

Please feel free to contact Ms Campbell, one of the Teacher-Librarians, on Tuesdays or Fridays. Alternatively you can email her at: francie.campbell1@det.nsw.edu.au

Performing Arts Ensemble and Killara HS welcome Heather Lloyd

Heather is taking over the Strings and Orchestra program from Mark Stevens who is leaving us to get married and go travelling.

The PAE students and teachers wish him well!

Heather is an accomplished violinist who is currently working with the Australian Brandenburg Orchestra and has had many years of experience with performing and teaching.

“Surviving the HSC” for Year 12 parents

On **Thursday 2nd May at 6.00pm** a meeting will be held in the Staff Common Room in A Block.

We will be discussing issues that may be of help to parents of HSC students; how to best support your child during a stressful year and what you need to know about the process. What to do if they are stressing too much. What to do if they aren't stressing enough!

Speakers will include Ms Alison Gambino, Deputy Principal in charge of Year 12; Julia Griffith,

Counsellor; Clair-Louise Schofield, Head Teacher Welfare and Student Services (rel); Anne Carroll, Year Adviser; Kerrie Bayne and Stuart Pratt, Assistant Year Advisers; and Colleen Clarke, Careers Adviser.

Tea and Coffee will be available after the meeting.

News from Killara High School Chinese Speaking Families.

A tweet from the Chinese social committee:

"Friday's morning tea was a huge success, the weather was on our side and I was taken aback by the level of support/turn out. We had 30 families come to our conversational hour and it was FUN. We met, talked, drank. The majority could not wait for the next gathering."

Thank you for your support and feedback. We will definitely carry on this KHS tradition.

Coming up in KHS Term Two:

1. Morning tea/conversational hour after school drop off.
2. Working Bees - if you have never volunteered in our school, don't miss this golden, once a term opportunity. COME!! Meet other families, give a sparkle to our school, it is a great opportunity to lose a few calories/work out/exercise.

Keep a check of the newsletter for future dates.

Please have a safe and enjoyable school holiday.

Falkner, Brian. ***The Tomorrow Code: Crack The Code or Tomorrow is History***

It had happened before. Burnt Mountain, Alaska. Novosibirsk, Siberia. Now it is about to happen to a thriving city. A city with a population of 1.3 million. All of whom will be wiped out in a blink. Unless it can be stopped. Teenagers, Tane Williams and Rebecca Richards, hold the key to stop the destruction. A message from the future. A message that cannot be ignored. Tane and Rebecca must act – and fast. The survival of the human race depends on it.

Pankridge, Michael. ***Raising the Bar***

The Sandhurst Legend of sport is on again and the competition is hot. Surfing, cricket, tennis, football, soccer, basketball, athletics and swimming. Mitchell Grady and Travis Fisk are neck and neck. Mitchell needs to focus if he wants to be 'Legend of Athletics', but something serious is uncovered off the field.

Rosoff, Meg. ***The Bride's Farewell***

On the morning of her wedding, Pell Ridley creeps out of bed in the dark, kisses her sisters goodbye, and flees – determined to escape a future that offers nothing but hard work and sorrow. The road ahead is rich with longing, silence and secrets, and each encounter leads her close to the untold story of her past. And then she meets a hunter – infuriating, mysterious and cold. His fate appears to be strangely entwined with her own. Will he help her to find what he seeks? Or must she continue to wander the earth, searching for love and lost things...?

New non-fiction in detail

Anderson, Nola. *Australian War Memorial: Treasures from a Century of Collecting*

The Australian War Memorial in Canberra is one of Australia's most iconic institutions. Originally conceived during the turbulent years of the First World War, it was opened in 1941 and has grown to become one of our most important symbols of national identity. This book tells the story of the Memorial and the National Collection – one of the most significant military history collections in the world.

From the shores of Gallipoli to the jungles of Vietnam, from two world wars to peacekeeping operations and current conflicts, the artefacts from a century of collecting are brought to life through the rich personal stories that lie behind them.

With specially commissioned photography that presents familiar icons as they have never been seen before, as well as hundreds of lesser known – and some surprising – treasures from this vast collection.

Coulthart Ross, ***The Lost Diggers***

In an ancient metal chest in a dusty attic in a French farmhouse, nearly 4000 glass photographic plates, including hundreds of Australian diggers were found. It is one of the most important First World War discoveries ever made. These are some of the photos and the stories behind them.

Schedneck, Jillian. ***Abu Dhabi Days, Dubai Nights***

Jillian is a graduate student with incurable wanderlust. Dreaming of white beaches and the romance of Arabian nights, she accepts a position teaching English to the sheltered young women, and later men, of the Emirate States at a university in Abu Dhabi. Jillian's initial culture shock is soon

replaced with the rush of first love, and fun-filled days shuttling between the conservative society of the Emirates capital and the luxury lifestyle of glittering Dubai, just over the border. But as the students start to awaken in the classroom, and explore the idea that women have the right to decide their own destiny, Jillian finds her own expectations of love and marriage, independence and equality shifting in irrevocable ways.

Health Psychology Unit Managing HSC Stress Program

The Higher School Certificate can be stressful for many students. However there are things that you can do to get through Years 11 and 12 with less stress and reduce the impact that stress has on your academic performance.

The UTS Health Psychology Unit has been running **Managing HSC Stress** programs for many years now and is pleased to be able to offer a **special one-day school holiday program** this coming January.

Come along and enjoy all of the benefits of the 4 week program in one day!

The **Managing HSC Stress** program is a group program that assists students to better manage the stress of the HSC by teaching a broad range of skills that can be helpful in any stressful situation. Students also have the opportunity to learn from and assist each other. The program can also be useful for students who are struggling with anxiety, low self-esteem or low mood.

When: Monday 22nd April 2013

Time: 10am – 4pm. Lunch and afternoon tea will be provided.

Where: Health Psychology Unit, Ground Floor, 174 Pacific Highway, St Leonards. The Health Psychology Unit is a 5-10 minute walk from St Leonards train station.

Cost? \$90.00 per student (Private Health Insurance rebates may apply.)

Register? Registration is essential as numbers are limited. Full payment is required two weeks prior to commencement of workshop.

To register call 9514 4077 or email Health.Psychology@uts.edu
