Music Camp 2014

Saturday morning in late March saw 155 musicians descend Elanora Heights to begin a weekend workshop.

With a view of the Northern Beaches and surrounded by bush, the Killara High Concert Bands, String Ensembles and Vocalists began a hard day's work.

Students were tutored by expert musicians and rehearsed with their conductors. Music teachers, Ms Kim, Ms Bromley, Mrs Berry and Mr Bayne were later joined by Ms Trenoweth and Ms Gambino for evening festivities.

After dinner students were entertained by the Year 12 students who held a trivia night with a few surprising challenges.

The following day after some sleep, they rehearsed to prepare for a concert to end the weekend.

Vocals put on a song from Little Shop of Horrors followed by Strings who performed a crowd favourite *Eine kleine Nachtmusik*. This was followed by both the concert bands who performed some of their contest repertoire for Brisbane.

As always the students worked hard, improved and sounded amazing by the end of the weekend and all went home exhausted.

A huge thanks to all the parents that helped with transporting the vast amount of instruments, the teachers for giving up their weekend and the conductors for all their hard work.

PAE Coordinator

TEALS Program

(Program to assist with the Transition of Students with English as an Additional Language into Killara High School)

In order to promote the integration of IEC students who are entering into an English high school system for the first time, Killara High School is running a semester based peer support program to assist with this transition.

Now in its third year, the program has evolved into a student centred

workshop, which provides new students with tools and skills to foster active participation in Australian school life as well as improving mutual understanding and acceptance of differences for Killara High School students. New students learn about the significant differences in educational expectations in Australia and their home countries and are introduced to a great range of extracurricular activities and leadership opportunities at the school.

This term new students were also encouraged to accompany their mentors to clubs and/or leadership committees in the school. During the workshop, students explored a variety of topics relevant to school life and learned valuable communication

strategies to assist them in their communication with peers and teachers.

This semester the TEALS program was presented by our competent Year 11 student, **Kieran Pain** and **Kieren Young**. I commend these students on their initiative, responsibility and leadership skills. A big thank you also goes to all of our mentors who have given up their time in service to other students of the school. The mentors this term were: **Annie Li, Lucy Gamaroff, Erika Moelle, Laura Morison, Christina Kim, Sasha Ahrens, Evangelia Lackerdis, Jordana Kasler, Christina Ly, Afreedi Jafar, Patrik Kertesz, Charlie Chen, Brian Noh and Matthew Vallance.**

In their evaluation students reported that they welcomed the opportunity to participate in discussions with their mentors, which helped to improve their English and to discuss matters of importance to them in a friendly and relaxed environment. They felt more informed about the school's extracurricular activities and leadership groups and in turn felt more connected to the school community.

Most made an increased effort to speak English with each workshop. We hope that with time, more students will benefit from this program and become active members in the school community as a result.

Student Progress Review Meetings 2014

Each year Killara High School schedules three student progress review meetings when parents can speak with teachers about their child's learning progress before too much of the year has passed.

We have scheduled the first Student Progress Review meeting session for Years 7 and 11 at the end of Term 1 on **Wednesday 9th April – Term 1 Week 11**

We hope parents can take advantage of this opportunity to discuss with teachers their children's progress to date.

Interview Bookings

On 21st March, parents of students in Years 7 and 11 received an email invitation allowing them access to the computerized booking system. This enabled parents to indicate their availability for a meeting and to indicate which of their child's teachers they would like to see. This access has now closed.

Interviews between parents and the nominated teachers are being scheduled between the hours of 3.30pm and 8.00pm taking into account parent and teacher availability.

The schedule of interviews will be open for parent access on 4th April so that parents may print out their schedule. Some limited adjustments of appointments may be possible depending on the availability of teachers. This access will close again on 8th April at 3pm.

PLEASE NOTE –

- The system does not notify you of your appointment schedule. You must log on between 4th - 8th April to download your interview appointments.

Knock-Out Open Girls Basketball

Congratulations to our Open Girls Basketball team on another convincing win, 47-11 against Hunters Hill High School. With three of our key players unavailable the girls rose to the challenge.

Aishani Mosquera (Year 9) was awarded Most Valued Player after adding 12 points to her tenacious defence. Other leading scorers were **Hannah Dawson and Na Young Song (Year 11)** with 10 points each and **Neda Sabeti (Year 11)** added 8 points. **Georgia Swinton and Suresha Mosquera (Year 11)** hustled for rebounds against a taller Hunters Hill line up. **Eun Jung Hong (Year 11)** contributed a pesky defence.

Mr Smith provided transport and expert coaching on the day. The Round 2 win sees the team progress to the tournament rounds in Terrigal later this term.

Matthew Mulready, Coach

- The venue for all interviews will be the Kerrabee Centre hall. Signs around the walls of the hall will indicate course/ faculty locations and signs on tables will indicate locations of individual teachers.

- **Interviews are of five minutes duration. Parents and teachers are asked to restrict their discussion to that time in fairness to all families seeking interviews. If teachers and/or parents feel the need to discuss matters further, another mutually convenient time should be arranged.**

- Interviews must be prearranged. To drop in on the off chance of speaking to a teacher can prove very frustrating to those with appointments and such requests may not be able to be accommodated. Please give consideration to the needs of other parents and the staff during these evenings.

Please take advantage of these opportunities to meet with the school staff to discuss your child's progress. Year Advisers, a School Counsellor, Careers Adviser and the Learning and Support Teacher will also be present. A translation service can also be made available through the school. Please notify the office by email (Killara-h.school@det.nsw.edu.au) if you require this service. You will need to indicate language required and approximate times of interviews.

The Student Progress Review Meetings scheduled for Term 2 are:

Years 9 and 12 - Monday 19th May (Week 4)

Years 8 and 10 - Tuesday 17th June (Week 8).

Killara Kids Putting Their Best Stroke Forward

Killara High sent a 30 strong team to the Sydney North Swimming Carnival which took place at Homebush Aquatic Centre on the 18th March 2014.

As expected, our students competed to the best of their ability and with plenty of esteem.

The Ku-ring-gai Zone finished 4th out of 7 'zones' this year, whilst Killara as a school finished 18th out of 29.

There were a number of outstanding individual and team performances from KHS students at the carnival including:

- **Alicia Walker** (16 Years) - 2nd in 100m Backstroke; 2nd in 50m Freestyle
- **Daniel Sims** (13 Years) - 3rd in 50m Freestyle
- Knockout Relay (fastest 6 boys and 6 girls in the school in a 12 x 50m relay) - 2nd
- Boys 16 Years 4 x 50m Relay (**Joshua Marsh, Roger Wang, Thomas Vives-Kerl and Ben Mackay** - pictured) - 2nd

Boccia Champion

Congratulations to **Aaryan Shah (Year 7)**, who has cerebral palsy, for winning the NSW State Boccia Titles held at Narrabeen. Boccia is a precision ball sport that is played at the Paralympics.

It was an intense 3 day competition and Aaryan was mainly playing adults who have been involved in the sport for many years. Aaryan only started playing boccia last year.

In the gold medal match he beat a 35 year old Paralympian who has been playing for 20 years and trains for hours every day.

Attention Parents: A Worrying Trend

Teachers have been alerted to the dangers of a social networking site which has become very popular with teens and tweens. This site has attracted much press attention of late both in the US and UK, and was the subject of discussion when the Youth Police Liaison Officer visited a Stage 4 assembly recently.

It has been suggested that parents would be wise to acquaint themselves with this site which the British Prime Minister went so far as to describe as "vile".

The site is called Ask.fm and is set up in a question and answer format which proves popular with this age group.

In an article titled "10 Frightening Facts about Ask.fm That Parents Should Know" by Shannan Younger in *Tween Us*, the following points are made:

- Only those 13 years or older are allowed to use this service
- No one monitors the content of this website, which allows for anonymous contributions
- The website is increasingly being used as a means to communicate abusive, bullying and sexualised content.
- According to the Daily Mail the site has been linked to numerous suicides around the world
- Users cannot increase privacy settings
- Ask.fm is integrated with Facebook and twitter so the reach of postings is enormous.

These are just a few extracts from the article which is easily accessible using the title and the website *Tween Us*. Teachers are aware that some students have utilised this site and have been asked to avoid using such sites as they can be dangerous and detrimental to the mental health of young people.

In the absence of better controls it is wise for parents to monitor the social networking in which our young people are involved in the interest of their safety.

Appropriate footwear at Killara High School

When purchasing school shoes please be mindful of the school's uniform code. Casual shoes such as *Vans*, canvas shoes and ballet type 'flats' favoured by some students, are **not** consistent with the school's uniform code and do not meet basic safety standards for the playground and practical classes.

The Killara HS uniform code requires fully enclosed leather shoes as depicted below

These shoes are not appropriate footwear for school

School Security

Following a successful submission to the Safety & Security Directorate, security at Killara High School is to be further enhanced with the deployment of CCTV cameras strategically placed around the school. These cameras will record any activity on the site when it is meant to be unoccupied.

Appropriate signage will indicate that CCTV is being used on the site.

If you have any questions regarding these security measures, please contact Megan Clarke on 9498 3722.

Fiction:

Atkinson, Kate ***Life after Life***

On a cold and snowy night in 1910, Ursula Todd is born, the third child of a wealthy English banker and his wife. Sadly, she dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in any number of ways. Clearly history (and Kate Atkinson) have plans for her: In Ursula rests nothing less than the fate of civilization. [F ATK]

Baker, Jo ***The Picture Book***

Set against the rolling backdrop of a century of British history from WWI to the 'War on Terror', this is an intimate family portrait captured in snapshots. First there is William, the factory lad who loses his life in Gallipoli, then his son Billy, a champion cyclist who survives the D-Day Landings on a military bicycle, followed by his crippled son Will who becomes an Oxford academic in the 1960s, and finally his daughter Billie, an artist in contemporary London. Just as the names - William, Billy, Will, Billie - echo down through the family, so too the legacy of choices made, chances lost, and secrets kept. The Picture Book is a beautifully crafted story about parents and children, about fate and repetition, and about the possibility of breaking free. [F BAK]

Fielding, Helen ***Bridget Jones: Mad About the Boy***

This is Bridget a decade and a half later. Widowed, 51-year-old, cheeky single mother of two small children, attempting to write a screenplay and still struggling with how she fits into the world—a tech savvy world. Forlorn, without her rock Mark Darcy. [F FIE]

Miller, Alex, ***Coal Creek***

The new novel from Australia's highly acclaimed literary treasure is an extraordinarily powerful exploration of tragedy, betrayal, the true nature of friendship and the beauty of lasting love. Bobby Blue is caught between loyalty to his only friend, Ben Tobin, and his boss, Daniel Collins, the new Constable at Mount Hay. 'Ben was not a big man but he was strong and quick as a snake. He had his own breed of pony that was just like him, stocky and reliable on their feet.' Bobby understands the people and the ways of Mount Hay; Collins studies the country as an archaeologist might, bringing his coastal values to the hinterland. Bobby says, 'I do not think Daniel would have understood Ben in a million years.' Increasingly bewildered and goaded to action by his wife, Constable Collins takes up his shotgun and his Webley pistol to deal with Ben. Bobby's love for Collins' wilful young daughter Irie is exposed, leading to tragic consequences for them all. [F MIL]

Robinson, Kim Stanley **Shaman**

A new epic set in the Palaeolithic era from New York Times bestselling author Kim Stanley Robinson. From the New York Times bestselling author of the Mars trilogy and 2312 comes a powerful, thrilling and heart-breaking story of one young man's journey into adulthood -- and an awe-inspiring vision of how we lived thirty thousand years ago. [F ROB]

Tartt, Donna **The Goldfinch**

A young boy in New York City, Theo Decker, miraculously survives an accident that takes the life of his mother. Alone and determined to avoid being taken in by the city as an orphan, Theo scrambles between nights in friends' apartments and on the city streets. He becomes entranced by the one thing that reminds him of his mother, a small, mysteriously captivating painting that soon draws Theo into the art underworld. [F TAR]

Finkel, David **Thank You for Your Service**

No journalist has reckoned with the psychology of war as intimately as David Finkel. In **The Good Soldiers**, Finkel shadowed the men of the US 2-16

Infantry Battalion in Baghdad as they carried out the gruelling fifteen-month "surge" that changed them all forever. Now Finkel has followed many of the same men as they've returned home and struggled to reintegrate - both into their family lives and into society at large. [956.704434]
