Notice to Parents and Students

Aerosol cans are prohibited at Killara High School

From the Principal

Tonight we farewell our Year 12 students at Ekuba. This will be the forty-second time Year 12 and their families and teachers have gathered to celebrate the end of their secondary schooling. Things have changed since 1973, when the 55 students who comprised the school's first Sixth Form, as they were known, sat down to lunch in the Canteen. It is an evening rich in tradition and fellowship, and I thank our Year 11 parents and students who make this important event in our school's life possible. I look forward to sharing photographs in the next edition of the Newsletter.

I have had the privilege of being Principal to Year 12 for two very brief terms. During this time I have developed the highest regard for them as a group of young people of integrity and commitment. I extend to every Year 12 student my very best wishes as they leave us for their final preparations for the Higher School Certificate examinations, and I ask them to bear in mind the words of Henry Ford: *Whether you think you can, or you think you can't – you're right.*

Student leadership within the Killara Schools Partnership was further developed recently when students from our community of schools met with Killara High leaders for a workshop and a trip to Stewart House, to learn more about the important work done there to provide children in need with support and enrichment. Thank you to all students who participated, and the Principals of Gordon East and Killara Public Schools, Jennifer Simmonds and Unity Taylor-Hill, for their organisation of the day.

Last week the senior executive members of the North Shore 5 schools gathered at Killara to work with learning innovator and strategist Simon Breakspear. Simon works with schools to help them use meaningful innovation to create engaging curriculum and better learning. Our combined NS5 School Development Day in December will see our entire combined faculties develop plans for 2015 and beyond with Simon.

Take a look at <http://www.simonbreakspear.com>

Thank you to the indefatigable Richard Frith, whose third attempt to hold a Term 3 working bee was finally smiled upon by the weather. On Saturday, 13 September he and his crew landscaped the entrance to G block. Thank you to all those who participated, and I look forward to our next Working Bee on Saturday 18 October.

I wish everyone a happy and safe vacation, and look forward to welcoming Years 7 to 11 back to school on Tuesday 7 October.

Jane Dennett
Principal

TEALS Program

(Program to assist with the Transition of Students with English as an Additional Language into Killara High School)

2014 saw another successful year of the TEALS program. In its third year, this program has assisted yet another group of new students to adapt to Australian school life.

Running once per semester, these workshops are aimed to assist the transition of students who have recently arrived from different countries around the world, ranging from Year 7s to Year 10s. Within these workshops, there were several aspects in focus, varying from communication skills to active participation at school. Both students and mentors in Years 9, 10 and 11 participated together in group and individual discussions about relevant topics of Australian schools and mentors assisting in engaging communication with peers and teachers.

This year, the TEALS program was run by two enthusiastic and competent leaders, Kieren Young and Kieran Pain from Year 11, together with the supervision of Ms Berghofer. The two Year 11 students led the group in discussion, incorporating personal experiences in their presentations which engaged our new students and enabled them to feel more confident in their new surroundings.

The small discussions were extremely beneficial in allowing our new student to feel at ease. Students found it increasingly easier to speak English and gained confidence throughout each session of the workshop. By the end of the workshop, it was evident that this program allowed students to open up and take more initiative in their activities.

Erika Moelle (Year 11) and Laura Morison (Year 10)

I commend our presenters, **Kieran Pain** and **Kieren Young** on their initiative, responsibility and leadership skills. A big thank you also goes to all of our mentors who have given up their time in service to other students of the school. The mentors this term were: **Erika Moelle, Laura Morison, Christina Kim, Sasha Ahrens, Angela Lackerdis, Jordana Kasler, Christina Ly, Afreedi Jafar, Patrik Kertisz, Charlie Chen, Brian Noh, Matthew Valance, Annie Li and Lucy Gameroff.**

Multiple CHS Medals for KHS Athletics

Killara High School has put in one of its best ever performances at the State level claiming five individual medals at the CHS Athletics Carnival which took place at Homebush in Week 8 of Term 3.

In an amazing individual performance Ben Mackay of Year 10 (Boys 16 Years) claimed 2nd in the 400m, 3rd in the 400m Hurdles, and 4th in the 100m and 200m. To go along with these individual performances, Ben was a member of the Sydney North 4 x 400m team which claimed a silver medal.

Other outstanding performances from Killara High School students included Bri Gibson who claimed bronze in the 15 Years Javelin, Samantha Bowden who finished with a bronze in the 16 Years 100m Hurdles and Thomas Jobling who achieved a bronze medal in the 12 Years High Jump.

Our Boys 12 Years 4 x 100m Relay team also put in a stellar performance when they finished 4th in the final.

A full list of our students' results are below:

Well done to all our athletes who have represented our school with such high esteem at all levels this year in swimming, cross country and athletics. It has been a great year to be overseeing the carnivals and I look forward to doing it all again next year.

They are outstanding athletes, but even better kids!

Congratulations

We received a call from a member of the public who wanted to let us know of a great story regarding Year 10 student Tobi Newing.

While he was at work last week a customer in his café had a medical emergency. Tobi stepped in and remained calm. He administered appropriate first aid and called the emergency services.

In the words of the member of public, reporting the incident to me "he saved her life". This is just an outstanding level of maturity from one of our Year 10 students who remained calm in an extremely stressful situation.

Congratulations to Tobi for his ability to react in an emergency.

What is the Correct Summer Uniform for Term 4?

Term 4 marks the beginning of the part of the school year when students are required to wear "SUMMER" Uniform. Parents and carers are advised that the uniform shop and Lowes at Chatswood stock items should a purchase be required.

Girls' Uniform – Summer

Junior Uniform: * 'Gordon' tartan dress

Senior Uniform: * Years 11 and 12 only. 'Gordon' tartan skirt, white blouse short sleeve with tartan trim.

Note that skirts must be 'fingertip' length.

Shoes: Black lace-up leather school shoes.

Socks: White short anklet (above ankle).

Boys' Uniform - Summer

Trousers: Long trousers, zippered mid-grey (summer or winter weight), polyester/viscose.

Shorts: Mid-grey zippered shorts (not cargo/work shorts).

Shirt: Plain white, short-sleeved with collar, worn with school tie **or**
Plain white, short-sleeved over-shirt with collar and school crest (worn untucked with no tie) **or**
White long sleeve Killara High School shirt with tartan trimmed collar (worn untucked with no tie).
Where ties are worn, shirts must be tucked in.

Tie: Junior – 'Gordon' tartan.
Senior – Green with crest.

Socks: Mid-grey socks.

Shoes: Black lace-up leather school shoes.

Belt: Black leather

Safety Apparel – WHS Regulations/Requirements

Footwear

The Department of Education & Communities and WHS regulations with regard to footwear state that proper protective footwear (that is, lace-up leather shoes - black for KHS) must be worn in all specialist rooms.

Soft shoes and sandals are not acceptable. Additional requirements apply in some courses.

Food Technology (Stage 5 and 6 Courses)

Food Technology students must wear an apron during practical lessons. The aprons are available from the Uniform Shop.

Industrial Technology (Stage 5 and 6 Courses)

The cost of an apron is included as part of the course contribution for this course. Students are required to wear this apron in practical classes. Students must also wear shoes with leather uppers to protect their feet from heavy, sharp or hot objects. The Killara High School Uniform shoe is satisfactory for this purpose.

Technology (Stage 4 Course)

Aprons must be worn during the practical food component in the Technology course.

Deputy Principals

Uniform Shop – Summer is here!

To accommodate the change over to the summer uniform next term, the Uniform Shop will be open on the following days during the 1st week of Term 4:

Tuesday 7th October 8.00am – 12.00pm
Saturday 11th October 9.00am – 12.00pm

Throughout term time, the shop is open every Tuesday 8.00 am – 12.00pm

P&C Gardening Working Bee – Saturday 13th September

Last Saturday's Working Bee to landscape the new G Block entry was fabulous; a complete success. Our parents and prefects were impressive, starting in cool overcast conditions, continuing unperturbed through rain showers and finished bathed in sunshine.

Geoff & Lucia Fowler, from St Ives Village Nursery, kindly helped with the selection and positioning of various plants and they joined in to start us off. It was a real privilege to work with all our volunteers.

Our parents in attendance were:

Sara Chandler
Olivia Chau
Marion Iraninejad
Anton Lubbers
Michael McLeod
Andrew Nightingale
Tracey and Marc Stambach

Our student volunteers were:

Jeremy Bowers
Stephanie Chandler
Heloise Duce
Evie Leslie
Kshitij Prasad
Matt Sinclair

We have brought forward our Term 4 Working Bee to Saturday 18 October. This is to take advantage of the spring flush to re-landscape the main school entry to A Block. We plan a grove of Manchurian pears with Syzygium hedging, plus colourful ground cover.

We look forward to record volunteer turnout for Saturday 18th October.

Would you care to join us?

The RSA4 Schools Program

Throughout the Winter School Holidays, Year 11 and 12 students from Killara High School attended a TAFE course run by the RSA4Schools Initiative to attain a qualification for the responsible service of alcohol. This one day course was offered to us at a reduced price for Years 11 and 12 to acquire more employment opportunities in the future as well as become more aware of the effects of alcohol and how to serve it responsibly. The course, 'Responsible Service of Alcohol', involved various activities, keeping us engaged and whilst learning at the same time. It was a great experience - we all left feeling more knowledgeable and happy that we could apply the skills we learnt in the future and potentially, for a career.

"The RSA Schools Initiative was a brilliant experience. It involved different activities of both theory and practical to give us the best all round experience. Whilst learning about a standard drink, a practical approach to the service of alcohol, we also learnt about the effects of alcohol on a person and applied this knowledge to ensure that we knew that patrons as well as employees were safe. This was done through various scenarios in our theory books where we not only answered questions, but we discussed various ways of approaching the issues that could arise during the service of alcohol. This was backed up by the laws towards alcohol and drinking that expanded our knowledge about the industry. Overall, I had a great time and am so

glad that I have acquired skills that I can utilise in the future." – Ashleigh Ho

"The RSA4Schools program was very interesting and gave an insight into what serving alcohol meant for you. As an adult and licensee, you have many rights and responsibilities which are important to keep you, your customer, and others safe. The program explained issues such as what happens when people drink too much and become 'intoxicated', giving further information and continuing with what you learn at school. We also had the opportunity to talk to the police about when to call them, what we can call them about and why it's important to notify the police when having parties which may have large numbers of people participating or when there may be alcohol served. They told us that they'd rather come and save people who are drunk than be late and have to deal with a misfortunate situation. I would recommend participating in this program for those people looking to work in a restaurant or anywhere serving alcohol as this program is a widely approved qualification and it's good for your resume." – Sakura Ishida

Overall, the RSA4Schools Initiative was an amazing experience. It was fun, but educational at the same time. We recommend that everyone coming into Year 11 and 12 try out this initiative because it provides you with skills that could be used in the future as well as a qualification that allows you to work in restaurants, bars and other areas that serve or work with alcohol. We look forward to applying our knowledge in the future and utilising our qualification to attain prospective jobs in the hospitality industry.
