## From the Principal

Today we come together as a school at the annual Leadership Ceremony. This is a highlight of the year, as we induct our student leaders to office, and celebrate the achievements of the outgoing cohort. In my very short time at Killara, it has become clear to me that the student leadership structure empowers students to work for what matters. Leadership at Killara focuses on service: to the school, and to the local and global community. I congratulate our new leaders in the SRC, Arts Council, Sports Council, Social Justice Committee and the Prefects, and I look forward to working with them to maintain and grow our tradition of personal best.

This week is SASS Recognition Week, where we acknowledge the contribution made by our School Administrative and Support staff. Our SASS staff at Killara High School, do outstanding work to ensure that our school can meet student needs effectively. They face an additional challenge as we implement a new financial system that has had some teething problems, but they go about their work with good cheer and resourcefulness. You will find them serving our school in dozens of ways: providing first aid, preparing resources for lessons, managing the enormous clerical issues in a school this size, purchasing goods and paying the bills, answering phones, fixing computers, obtaining tradespeople, preparing, printing and distributing all manner of documents from newsletters to excursion notes to examination papers, providing learning support for students in class, lending library books, maintaining our grounds and buildings ... the list is very long, but their work can be summed up very simply. They tirelessly support students and teachers to do their very best work.

We thank you for all you do for us.

School Administrative Manager: Ms Julie Hughes

Mrs Lara Boase, Mrs Nina Brown, Mr Nicholas Calloway, Mrs Monica Chan, Mr Phil Cohen, Mrs Jackie Connors, Ms Louise Deans, Dr Boyd Dent, Mrs Katherine Emmerson, Mr Itzick Fisher, Mrs Kate Gilbert, Mrs Kathy Grahame, Ms Barbara Hillsdon, Ms Sally Jones, Mrs Sue Kenda, Mrs Eugenia Khoo, Mr Chris Knowles, Mr Lionel Krautz, Ms Mira Lumban, Mrs Emma Maley, Mrs Karenza Morison, Mrs Cathy Mortimer, Mrs Christine Nott, Mr Mike O'Hanlon, Ms Genevieve Poulson, Mrs Louise Smit, Mrs Caroline Stevenson, Ms Amanda Werner.

I was honoured to attend a reception at Parliament House last weekend, where Ms Sue Powell, HSIE Green teacher, received a Premier's Teacher Scholarship. Ms Powell is a highly capable and committed teacher of Economics, and her application to study Financial Literacy in the US and Canada was successful in gaining her one of these coveted scholarships. Congratulations, Ms Powell. Your students look forward to reaping the benefits of your work.

All parents will be emailed a link to a survey this week. Please look out for it. Your views about the direction your child's school should take as we move into the next school planning cycle are very important. We appreciate any feedback you can give us.

Principal

## Sports Council Mufti Day – Pink Stumps Day

The Sports Council Mufti Day took place on the 15<sup>th</sup> August. The theme for this year was PINK STUMPS DAY which is an initiative of the McGrath Foundation in support of the fight against breast cancer, and support of those who have Breast Cancer. Events on the day included:

- Students who wore pink received a raffle ticket to win a prize including pink wrist bands, pinks shoe laces and pink hats
- A teacher v student cricket match
- A pink food stall selling pink cupcakes and creaming soda spiders
- A pink face paint and hair spray stall

It was another highly successful event with the Sports Council raising over \$1500 for the McGrath Foundation.

Well done to all students who participated and got involved.

## Year 8 - Champions Again!

Congratulations to the Lindfield U14A team who won the 2014 Division 1 Grand Final against Northbridge U14A for the second year running!

**Atsuto Hirosawa, Daniel Rigby, Sean Bhomer, Emmanuel Rosas, Jack McAvoy, Tom Rezvani and Yugo Suetsugu** were part of the Lindfield team who went in as firm favourites. For a good part of the match the scores were locked at 1:1. However, the boys dug deep and the hard work and dedication to training across the season meant that Lindfield outplayed their arch rivals to win convincingly 3:1.

We wish them luck in the Treasurer's Shield Grand Final in September which they have just qualified for, after beating Wahroonga in a very nerve-wracking but exciting penalty shootout! Congratulations and Good Luck!

# YEAR 11 PARENTS – WE NEED YOUR HELP!

## EKUBA 2014

### YEAR 12 FAREWELL DINNER:

**Thursday 18<sup>th</sup> September**

Traditionally at Killara High School, a committee of Year 11 parents organises the Year 12 Farewell Dinner, known as EKUBA, in the Kerrabee Centre. There will be over 500 students, parents and teachers attending the function which is always a very happy occasion – and it will be your turn to enjoy the event with your Year 12 next year! Planning for this year's dinner is well underway and the Committee now needs the help of the Year 11 parents.

We are looking for as many parent volunteers as possible, firstly in two shifts from 11.00am till approximately 3.30pm. Jobs in the first 2 shifts will include setting up, laying the tables and decorating the hall. We will also need many hands later in the evening for the clean-up (approximately 10pm-11pm). In previous years

with lots of willing helpers the clean-up has been done in about half an hour!

You are welcome to volunteer for more than one shift! Please note that it would be great to have some men helping in Shift 1 and Shift 3 as we have lots of heavy lifting of chairs and tables.

- Shift 1: set up (11.00am – 1.00pm)
- Shift 2: set up (1.00pm-3.30pm approx)
- Shift 3: clearing up at end (10.00pm onwards)

**Please email DEB MORRISON**

## Year 12 Ekuba Dinner

---

What to expect at the Ekuba Graduation Dinner?

If you haven't already made your booking for the night, please do so as soon as possible.

Go to **[www.trybooking.com/46881](http://www.trybooking.com/46881)** to make your reservation before the **8th of September**.

Please remember you also need to include and pay for your child in the booking. (Due to catering restrictions, no bookings will be taken after this date).

When you make your booking on the **trybooking** website you are asked to nominate 3 students that your child would like to sit with. These names are compiled and a seating plan is organised by the teachers. While not being able to guarantee your child will be seated with

all three friends, staff will do their very best to accommodate everyone's requests.

The Kerrabee Centre is set up with 10 long tables where students sit with their parents/guests and their friends. A beautiful, fully catered sit-down meal is served and entertainment and presentations are made. (The Kerrabee Centre has had a power upgrade to accommodate the catering equipment and, last years' dinner was a huge success)

Ekuba is a very special and memorable evening where you celebrate your child's success and hard work in completing Year 12.

It is a night not to be missed!

**Ekuba Committee**

## Congratulations

---

Congratulations to Concert Band 2 who came third in the NSW State Band Championships on Sunday 31st August. 60 students travelled to the Joan Sutherland Performing Arts Centre in Penrith and performed a 15 minute program to a packed hall. The competition requirements provided the students with the opportunity to perform a test piece (performed by everyone in the section), a hymn and own choice. Concert Band 2, one of the younger bands in the

section, gave an outstanding performance. This ensemble recently performed as a featured item in the Arts North Music Festival opening the second half of the concert. They are a focused and talented group of students who are now looking forward to presenting part of their program from the State Band Championships on the 11th September at the Performing Arts Ensemble Concert

## Anti-Smoking Policy

Recently with the availability of e-cigarettes, they have become an attractive option for some members of our community. The use of e-cigarettes is prohibited at Killara High School within the Anti-Smoking Policy and with the DEC Drugs in Schools Policy. Research into the effects of these products is very minimal, but what is available places doubt that they are a harmless product. A report from the World Health Organisation released last week states: "existing evidence shows that e-cigarette aerosol is not merely "water vapour" as is often claimed in the marketing of these products. While they are likely to be less toxic than conventional cigarettes, e-cigarette use poses threats to adolescents...[and]...there was

currently insufficient evidence to conclude that e-cigarettes help users quit smoking or not. Therefore, WHO currently recommends that smokers should first be encouraged to quit smoking and nicotine addiction by using a combination of already-approved treatments".

We ask that you take the time to discuss the use of these products with your child in the hope of helping them make an informed choice.

## Annual Youth Forum at Killara High!

On Thursday 28th August, Killara High School's Lion Library hosted the annual Youth Forum. This is where three schools, along with Killara, come together to form a panel of eight Year 9 students. The aim is to discuss the annual Children's Book Council of Australia's Shortlist for Older Readers.

The three other schools that were in attendance were Roseville College, Ravenswood and Shore. Each school also had students come to be the audience as the students discussed the titles. The audience also were active participants.

Paul MacDonald, from the Children's Bookshop in Beecroft was the adjudicator, and an excellent one he was!

Our two panellists, Rachel Lowenstein and Elissa Zhang from Year 9 were excellent panel participants. Our school community should be very proud of the students in the way they expressed themselves and were able to discuss their views in front of a large audience of about 60 other students. I would also like to thank the other Year 9 students who read the six short-listed novels over a two month period, and were also participants in the forum. Killara High can be very proud of these students!

This year's forum was special for Killara because it was the first time we were the hosts. There were lots of lively discussions, debates and opinions during the 90 minute forum! It is always great to see students articulate their

views in a forum like this, and show their love and appreciation for all things bookish!

The comments from some of our visiting guest teacher-librarians and from our adjudicator, said it was the best forum yet! Some students expressed their own further decisions to read those books they heard about in the forum, while other students have decided that a book club or internal forum within Killara to express opinions about what they are reading is what we should do next!

As a Teacher-Librarian this is music to my ears! I would sincerely like to thank all the students, schools and our school community who participated in this wonderful forum, and also for allowing us to host this time. Perhaps we will be able to be the hosts again in 2015!

**Francie Campbell**  
Teacher-Librarian

## Excursions Policy

Killara High School offers a range of excursions in a number of Learning Areas and for the purposes of curriculum enrichment each year. School Excursions are structured learning experiences provided by, or under the auspices of, the school which are conducted external to the school site and are consistent with the [DEC Excursions Policy](#).

All excursions operate at the discretion and under the supervision of the Principal. Each excursion is prepared via the construction of a **risk assessment, consent form and budget**. The main purpose of a consent form is to give enough detail to parents and caregivers to allow them to make an informed decision about whether their child should attend the excursion. It is also to assist the parent or caregiver to provide relevant information to the school about the child's care needs. Excursion dates and information will be available to parents and carers via the school website:

[www.killara-h.schools.nsw.edu.au](http://www.killara-h.schools.nsw.edu.au)

Killara High School is cognisant of the costs of schooling and as such, endeavours to minimise the costs of excursions and attempts to give parents and carers as much notice about excursions as possible. The school also

provides the option of payment via instalments and if financial difficulties are currently being experienced by families, the Head Teacher Student Services, Ms Jane Rountree is available to discuss options for financial assistance. To ensure that excursions are able to operate payment deadlines as stated clearly on the consent form. The payment date **must be adhered to** in order to ensure payments to suppliers and vendors can be facilitated. There may be occasions where there are insufficient numbers of students who have paid causing the cancellation of an excursion. In this instance, and where there is sufficient notice, parents and carers will be refunded payments they have made. In situations where a payment has been made for attendance at an excursion and the student is unable to attend the excursion, it may not always be possible to process a refund of their payment due to commitments made with vendors and suppliers.

Ultimately, the timely payment for excursions improves the likelihood of each excursion opportunity proceeding. The cooperation of parents and carers is vital in this respect.
